

Hello friends of Al Qarara,

My name is Anne Larrouy, I am from St Pierre d'Aurillac, France.

I am the President of Collectif Solidarité Al Qarara wich aims at supporting actions of Human Developmental Association (HDA) in Al Qarara.

I am talking to you today in the name of all the collaborators and volunteers of our association who are supporting Al Qarara people and Gaza people.

It is a great honor to talk to you today. For more than 20 years we have created a strong relationship that we are proud of. We managed to support many projects and activities for the HDA to make everydaylife people of Al Qarara better. Because we are convinced the situation you live in is unfair. Everyone should live free and in peace.

Today a strong friendship exists between us and I want to thank Ibrahim Khashan and Salam Khashan for their committents in developping actions for young people in Al Qarara.

We think of you everyday mainly during the war you had to face those last days. Here despite the COVID19, we managed to do actions to build up funds to send you and to talk about the situation in Gaza and Al Qarara. Many people here support you and think of you.

I want to congratulate all of you who are graduate today, it is a very special day for you. This year has been very difficult and it was a great challenge to pass your diploma. Congratulation to you all and I wish you all the best and success in your projects.

Be assure of our support and our friendship. We are carrying on our actions to help HDA and to let people know about Gaza situation.

I send you my best greetings.

See you soon.
